

Veil of Deceit

Setting: Kavita's NGO office, evening.

(Scene begins with Kavita addressing a group of volunteers and beneficiaries.)

Kavita: (Charismatic) My fellow warriors for justice, we stand united against the injustices plaguing our society.

(As the scene unfolds, tension arises between Kavita and her family, who disapprove of her prolonged absence from home.)

Family Member: (Concerned) Kavita, when will you prioritize us over these causes?

Kavita: (Conflicted) My duty is to the greater good, even if it strains family bonds.

(During the act, hints of Kavita's manipulative nature surface as she diverts funds for personal use. The tragedy climaxes with a revelation of her secret actions.)

Volunteer: (Shocked) Kavita, we trusted you!

Kavita: (Empathetic) It was for the cause, for the greater impact.

(Her manipulation and unethical conduct exposed, Kavita loses the respect she earned. The act ends with her alone in the dimly lit office, facing the consequences of her choices.)
